

EXHIBIT C

I, Michael Colin Tummings, do hereby state:

1. I am over 21 years of age and otherwise competent to make this affidavit.
2. I was born in Jamaica in 1952. My parents are named Muriel Francesca Tummings and Aston Stanford Tummings. Both of my parents' names are listed on my birth certificate.
3. My father immigrated to the United States in the 1950s and took an oath of U.S. citizenship in Brooklyn, NY, on June 30, 1959.
4. My mother also immigrated to the United States in the 1950s and took her oath of citizenship in Brooklyn, NY, on November 24, 1959.
5. After my parents became U.S. citizens, they sent for me in Jamaica. I was issued an immigrant visa to the U.S. and I entered the U.S. using that visa in 1962.
6. When I arrived in the U.S., my lawful permanent residence was automatically converted to U.S. citizenship by operation of law.
7. My attorney said that my U.S. citizenship under INA §321 (as amended by Public Law 95-417.4), is based upon my having satisfied all of the following requirements:
 - a. Both of my parents naturalized after December 24, 1952 but before February 27, 2001;
 - b. I was under the age of 18 years when my parents naturalized; AND
 - c. I was under the age of 18 years when I was admitted into the U.S. for lawful permanent residence.
8. Based on having met the three requirements above, I was granted automatic acquisition of citizenship through the naturalization of my parents on the date that I was admitted into the U.S. using my immigrant visa.
9. I currently live in Columbia, Maryland, and work in Prince George's County, Maryland.
10. I applied for a U.S. passport at the Washington Passport Agency in Washington, DC, but I was told that my case was too complicated and that I needed to submit my Form DS-11 to the U.S. Department of State by mail.
11. I did so, submitting my Form DS-11 to the US Department of State by mail. I received a denial noting that my application could not be approved based on the documents that I provided.

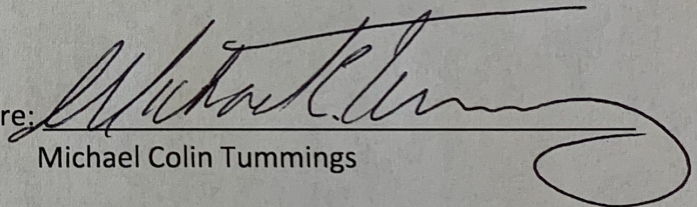

12. After speaking with my attorney, I filed two Freedom of Information Act ("FOIA") requests in April 2019, seeking Immigration and Naturalization Service ("INS") records of my inspection and admission in 1962, a complete copy of my Alien file ("A File"), and a copy of my I-551 green card.
13. I also filed my N-600, Application for Certificate of Citizenship, with the U.S. Citizenship and Immigration Services, because I was having problems with extending my driver's license.
14. I followed-up with my attorney several times between April and September 2019, as my driver's license was expiring again.
15. I went to the Maryland Motor Vehicle Administration ("MVA") and showed them the receipt notice for my N-600 and they gave me a six (6) week extension. My current driver's license expires on September 22, 2019.
16. I need my driver's license in order to reach my job. I have worked in Prince George's County in the same position for the past twenty-eight (28) years.
17. I need my N-600 application to be processed as soon as possible so I can get an unrestricted driver's license.
18. I am submitting this affidavit in support of my complaint. It is my prayer that it is accepted for that purpose.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on September 16, 2019.
